During the trial, Ms. Burnthorn, Ms. Lessell and Mr. Baer skillfully handled the defense in this matter from the start. On March 3, 2016, the arbitrator presiding over the case ruled in favor of the law firm. Legal Malpractice

Mr. Wright and Ms. Lessell successfully obtained summary judgment in favor of their client, an attorney, when it was alleged that the attorney who foreclosed upon property in his capacity as counsel for a bank, committed unfair trade practices, violated the Federal Debt Collection Practices Act and violated the plaintiffs' due process rights. The plaintiff also brought a claim for damages pursuant to 42 U.S.C. 1983. The rendition of summary

judgment at the trial court level was appealed to the United States Supreme Court, where certiorari and a petition for rehearing were denied.

Legal Malpractice

Ms. Marshall and Ms. Lessell successfully obtained summary judgment in favor of their client, a lawyer, based on a lack of causation defense. Insurance Agent and Legal Malpractice Defense

Mr. Wright and Ms. Lessell filed a successful Motion for Summary Judgment on the issue of causation on behalf of their client, which was a hybrid of a law firm and title agency, in connection with negligence claims, as well as successfully defended against a cross Motion for Summary Judgment. As a result of the successful Motion for Summary Judgment, the trial court dismissed the bulk of the plaintiff's case, which they alleged was valued between \$7-\$10MM. Insurance Agent Liability

Ms. Lessell successfully argued and obtained a summary judgment on behalf of an insurance agency in a complex, consolidated case. The case arose out of allegedly defective construction. The insurance agency was named as a third party defendant by the builder, who claimed that the agency must have been negligent in procuring insurance for it, since all of his insurers had denied a defense for the claim. The Motion for Summary Judgment was predicated on both the duty of an insurance agent to the insured and peremption pursuant to La. R.S. 9: 5606.

Insurance Agent Liability

Ms. Lessell successfully obtained a dismissal of a claim against an insurance agent and his agency, where the third party plaintiff allowed his insurance policy to expire and the involved policy was obtained eight years prior to the date the claim was filed. The Motion for Summary Judgment was based on peremption, pursuant to La. R.S. 9:5606.

Insurance Adjuster Liability Defense

Ms. Burnthorn and Ms. Lessell represented an insurance adjuster in a professional liability case when both the adjuster's insurer and he personally were sued for negligent misrepresentation, unfair trade practices and intentional interference with business relations and a contract. The plaintiff alleged that Deutsch Kerrigan's clients were at fault because the plaintiff's insurance claim had not been paid within a three-year window, and exposure in the case was estimated at up to one million dollars. However, Ms. Burnthorn and Ms. Lessell argued that an adjuster has no duty to an insured and cannot be held liable for bad faith claims against an insurer. Judge Robin Giarrusso of Orleans Parish Civil District Court agreed, and granted a summary judgment in favor of the defense one month before the matter would have gone to a jury trial.

Insurance Coverage/Legal Malpractice

Ms. Marshall and Ms. Lessell successfully obtained summary judgment on behalf of an insurance company in a legal malpractice action. The policy in question was a claims made insurance policy. Accordingly, the Motion for Summary Judgment was granted in favor of the insurer.

In re: Chinese Manufactured Drywall, MDL 09-2047.

Insurance Coverage
