Education

J.D., Louisiana State University, 1996
B.A., University of Virginia, 1993
Academy of the Sacred Heart

From as early as she can recall, Anne E. Medo's goal was to follow in her father's footsteps and pursue a career as an attorney. Anne rigorously defends her clients in casualty defense litigation such as insurance coverage litigation, premises liability, insurance law, and personal/commercial property litigation.

Anne uses responsiveness, organization and time management skills to meet the needs of her clients. These traits have awarded her with several favorable defense outcomes in both general litigation and insurance coverage litigation in courts throughout Louisiana. Throughout her 20 plus year career, she has shown her clients her ability to work with opposing counsel to find a common ground, even when it appears the matter has reached an impasse.

She is also a Notary Public for Orleans Parish in Louisiana.

Representative Successes

- Successfully obtained dismissals of numerous claims via motions for summary judgment and motions to dismiss pertaining to first party insurance coverage claims within the context of construction, property (both residential and commercial), automobile, and UM claims.
- Successfully litigated to a favorable conclusion for multiple clients in Louisiana, Mississippi and Texas several hundred first party insurance claims pertaining to Hurricanes Katrina, Rita, Gustav, Ike and Isaac.
- Successfully defended several retail clients pertaining to premises liability in slip and fall and falling merchandise claims where plaintiffs were alleging significant damages and injuries. Motions for summary judgments have been granted in both Federal and State courts throughout Louisiana on multiple claims. She has also had several defense verdicts at trial on premises liability cases.
